

## Conference Papers

1. Mohta Prize winning Paper

Author: Mr. S D Vartak & Team - Larsen and Toubro Limited

---

2. Global Competitiveness through Value Engineering

Author: Anil Kumar Mukhopadhyaya - CVS-Life, FINVEST

---

3. Global Competitiveness through Value Engineering

Author: Shrikant M Agrawal - Larsen and Toubro Limited

---

4. Global Competitiveness through Value Engineering

Author: Raman Gopalan - Paramount Resources India

---

5. Global Competitiveness through Value Engineering

Author: Sathe Jagadeesh J - TCS

---

6. Global Competitiveness through Value Engineering

Author: Dilip Gowaikar - CVS

---

7. Value Engineering Study on packaging

Author: Amit Kumar Ghosh - Tata Steel, Jamshedpur

---

8. VE Case Study on Magnet Holder Elimination from Trivector Meter Shield Display

Author: Binu. E - Larsen and Toubro Limited

---

9. Condensor Fan Deletion on Indica Xeta

Author: Santosh Gore - Tata Motors

---

10. Conducting Value Engineering Studies in Global Engineering Environment

Authors: Daniel Arockiam & Balasubramaniam. M - TCS

---

11. Value Engineering by Alternate Strip Layout Design

Author: Jitendra S Chaudhari - Larsen and Toubro Limited

---

12. Cost Effective of Dumb Terminals with thin clients for GUI bases application access

Author: Mr. D S Reddy - Tata Tin Plate , Jamshedpur

---

13. Global Competitiveness in Powder Coating through Value Engineering

Author: R T Singh - Larsen and Toubro Limited

---

14. Value Engineering Study

Author: Umesh. K - Delphi

---

15. Global Competitiveness through Value Engineering in Energy Conservation

Author: Prakash B Patil - Larsen and Toubro Limited

---

16. VE Study on minimisation of pressure fluctuation of compressed air at user points

Author: Mr. H C Tiwari - Tata Tin Plate, Jamshedpur

---

17. VE Case Study for elimination of fourth pole in MU Contactor, one of Switchgear Product

Author: Santosh Mankeshwar - Larsen and Toubro Limited

---

18. Value Engineering Application in power house

Author: Ajay Upadhyaya - Tata steel, Jamshedpur

---

19. Case Study of cost reduction on a molded component using a Value Engineering Approach

Author: D.K. Singh, A.P. Mande, N.A. Honmode, A.L. Sutar - Larsen and Toubro Limited

---

20. A Case Study on Value Engineering on Monitor Support Mechanism of Ultrasound Scanner

Author: P S Pratheep - Larsen and Toubro Limited

---
